

Presidents Meeting Minutes 6/15/2007

- HT 4's will be evaluated for posting after HT 1's are posted and filled to have new employees on board for winter 07-08. HT 4 positions will be posted to yard cost centers not 530.
- There are 13 HT's that volunteered for bridge painting inspection. Scott LeBlanc from central office will be conducting training in classroom and the field.
- Construction personnel have been assigned work locations by the HT MOU and the contract for reporting locations.
- There is 1 HT or PI and an EIT on the Euclid Corridor project.
- Randy Over will have completed all exempt performance reviews to access employees are in the proper classification.
- A dress code policy will be distributed for office personnel by cost center managers.
- The smoking policy has been adopted and distributed statewide. An e-mail will be used to distribute the policy and complaint forms for District 12.
